Control Alt Delete: To Stop a Malfunctioning Program Ruben Hargis

"Control Alt Delete" is a book that was given to me by God. It is not about me, but is about what was done for me by Jesus, God's son. There are parts of my life in this book and some that I have not shared that I can relate to things that have been happening in society. I believe God has given me answers through personal experiences, so I can help show people that there is a way out, and to expose people to the truth in a world that is full of rejection, death, evil, lust, deception, illusion, addictions, lies, failure, hurtful words, and being judged by others, etc. My life is just to open the door to tell people there is hope, the only hope we have in a dying world and his name is JESUS. I'm not talking about just church on Sunday, a prayer here and there, or a nice pretty hat. I'm talking about a real love bonded relationship with my lord Jesus. He has kept his promises even when I didn't keep mine to him. His love is unfailing and endures forever. It's about one vital point I'm trying to tell the world, that Jesus's love is what saves you. Some people get love and lust mixed up, but Jesus offers love and the world offers lust. Jesus's love is what saved my life and it could save yours too.
