Something ominous is coming upon the world: it is Satan's final effort in the battle to destroy the image that man was created in, which has been raging since the beginning of time. If Satan can destroy the image, then he can avert his own destruction. The prophecy of Genesis 3:15 states the serpent will one day mix his seed with humanity as a counterfeit of the Messiah. Jesus told us that the last days will be like the days of Noah when fallen angels mixed their seed with humanity. In the Book of Daniel we read that "they" will again mingle with the seed of men. How so? Satan will use man's desire to be his own god to deceive him into believing the ultimate lie – that his fallen messengers are both the creators and saviors of man. He will not do this openly but will deceive mankind through demons which are masquerading as "aliens" who are spreading the message that the inhabitants of the earth can evolve to be like them and obtain transcendent powers. Finally, the seed of the Serpent will come; he will be a man who will be greater than his fellows, who will understand sinister schemes and shall rise up and become the Antichrist. That day of fulfillment is nearly upon us!
