[Menage Amour: Erotic Western Menage a Trois Romance, M/M/F, with M/M, interracial, sex toys] They would form no brotherhood of virtue until driven to it by a brotherhood of vice. 1848 San Francisco. Lola Moreno has found a home at last, saved from destitution by businessman Gage Lassen. Gage is a withdrawn bachelor, and the most intimate subject he's discussed with Lola is his preference in tea. Adventurer Harrison Bancroft arrives, fresh from years on the Plains living with Indians. Gage can only admit affection for another man, and things heat up when Harrison paints his portrait. Harrison and Lola can find no way to allow Gage to participate in their love until Harrison unlocks the pain from Gage's past, allowing him to emerge from his prison of cold restraint. Corrupt enforcer Fowler threatens the trio with seeming knowledge of their private vices, harassing Harrison with his unwanted attentions, and a night of riots forces them to make a stand. Three lovers, one destiny. ** A Siren Erotic Romance

Karen Mercury's first three novels were historical fiction involving pre-colonial African explorers. Since she was always either accused or praised (depending how you look at it) for writing overly steamy sex scenes, erotic romance was the natural next step. She is currently writing about the rough and tumble life of the California gold rush, and lives in Northern California with her Newfoundland dog.
