First Awakenings: Gliese 581g S. E. Smith

Lieutenant Commander Ashton ‘Ash’ Haze has always embraced two things in his life: adventure and women, but when he awakens on an alien planet, there’s no time for women and adventure now that survival is his biggest problem – or so he thinks.

Kella Ta’Qui is a Turbinta – a race known for their skills as assassins. Kella has been honing a deadly skillset since she was taken from her home as a child to train. Her first mission is to find and kill whatever was inside the unusual capsule that landed on the small planet of Tesla Terra, but predator becomes prey when she is wounded by her target. Dazed and confused, she stumbles into a group that plan to sell her to the highest bidder – until a rescuer appears.

Ash has always been a trouble-maker, and his Navy training ensured that he can handle almost anything, but when he enters a city in the middle of the desert and discovers a wounded alien woman, nothing could have prepared him for how she affects him. He soon learns that she knows where a fellow crew member might be, and the knowledge unwittingly thrusts him into the middle of a civil war.

The fight begins and the race is on to find the other members of Project Gliese 581g before the Legion does. Can an easy-going Navy pilot and an alien assassin work together to reach the location of one of the capsules in the cutthroat Turbintan planet, or will Ash find himself served up to the Legion for the highest number of credits? Whatever happens, the war has begun with the first awakening of the resistance – a resistance that Ash has unwittingly volunteered to fight for.
