Following Darkness (20th Century)

Forrest Reid

Following Darkness (20th Century) Forrest Reid

'A masterpiece.' - E. M. Forster

'[A] strange, sinister, and unforgettable story.' - *Manchester Guardian*

'Forrest Reid has . . . beautiful, rhythmical prose, a true and permanent voice.' - John McGahern

'None of our contemporaries can describe childhood and youth as truly as he does.' - V. S. Pritchett

When *Following Darkness* first appeared in 1912, critics did not know what to make of it. Sentimental novels of childhood and adolescence were popular in the Victorian and Edwardian eras, but here was something completely new in English fiction, a book that explored a teenager's thoughts and emotions with unflinching honesty. One leading critic denounced the novel's protagonist Peter Waring as a 'subject for the pathologist rather than the novelist,' an 'evil' character who 'unutterably disgusts', and the book's allusions to Peter's sexual awakening and his rejection of Christ disturbed contemporary readers.

Following Darkness is the story of sixteen-year-old Peter's conflict with his staunchly religious father, whose religion and values Peter rejects with contempt, his burgeoning friendship with Owen Gill, and his growing passion for Katherine Dale. With keen psychological insight, Reid creates in Peter a complex and fascinating character: morally ambiguous, deeply flawed, snobbish, conceited and selfish, yet ultimately sympathetic. Acclaimed as a masterpiece by E.M. Forster and a possible influence on Joyce's *A Portrait of the Artist as a Young Man* (1916), *Following Darkness* was unlike any novel that had preceded it, and it remains one of Forrest Reid's most interesting works. This first-ever republication of the novel includes a new introduction by Andrew Doyle.

David Rutherford:

As a pupil exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this Following Darkness (20th Century) can make you really feel more interested to read.
