*My First Prayer Journal* fills a unique gap in the market as an interactive prayer journal for children ages 4 to 6. Hermie gently guides children through easy prompts and activities that encourage children to record their prayers with their own words and pictures. With easy-to-understand instructions, such as "circle the words" or "draw a picture," this prayer journal is a simple tool that can have amazing results. Much more than a journal, this book will help teach children how to pray and show them how God answers their prayers. When the journal is complete, store it away as a precious keepsake of the child's growing relationship with God.
