One Nation Under a Groove

One Nation Under a Groove

Deluxe two CD mediabook edition including a bonus CD that contains the tracks from the EP that accompanied the original 1978 album from the Funk legends. Masterminded by the larger-than-life figure of George Clinton, Funkadelic was a key element of his highly influential P-Funk empire. With their unique combination of Rock, Psychedelia and Soul music, Funkadelic crossed over into the Pop mainstream and gained an international following. Regarded by many as the greatest Funk album of all time, ONE NATION UNDER A GROOVE was recorded at United Sound in Detroit and includes a live track from their concert appearance at the Monroe Civic Center in Louisiana in April 1978. The band's tenth studio album, One Nation... was also their most commercial and it's title track spawned an international hit. Renowned for their wacky, cartoon-inspired artwork this is one of Funkadelic's most memorable and lauded creations. Featuring keyboardist and songwriter Walter Junie Morrison, the album also captures Michael Hampton at the pinnacle of his development as a guitarist.
