**The Grave : A Novel** Christopher Pike

**The grave is not the end of the story.**

It begins with an innocent young man being led deep into the woods by a mysterious young lady. There he is attacked by a cruel cult, stripped of his clothes, thrown naked into a coffin, and buried alive to the sound of strange chants.

It continues with a pretty girl meeting a fascinating guy. A guy who is not like other guys. Who hardly seems to blink...or breathe, and who emits a cool presence even in the midday sun.

It ends in a nightmare. In a weird realm of existence where life and death mirror each other. Where the grave no longer promises any escape, from pleasure or pain.
