The Storm Before the Calm: Making Sense of Life's Troubles Talbot Davis

In this five-week study, Davis addresses life's turbulent, trying moments by looking at some of Scripture's most significant "storm stories." By turning the popular phrase, "the calm before the storm" on its head, *The Storm Before the Calm* presents a unique take on the significance of life's storms—grief, job loss, relationship failures, etc.—and how faith in Christ helps us weather them. Davis's message is clear and challenging: life's storms prepare us for the calm that follows.

Discussion questions at the end of each chapter are designed to help leaders of small groups. Also available when purchasing the book is access to a free video trailer and an audio recording of the author's sermons as another way to experience the weekly message.
