A Past Refrain Brenda A Barrett

Old Love meets New Love! Jayce Morgan was the only one in the New Song band that was unmarried; everyone else was coupled up and happy. His main problem was that even though his relationship with Haley Greenwald was over ages ago, he still had a thing for her and couldn't shake thoughts of her from his mind no matter how hard he tried. It was a relief for him when he found himself attracted to Abigail Petri, the pretty waitress at his favorite restaurant. Suddenly, his emotions, which were in deep freeze when Haley left, started thawing. His only dilemma now was decoding Abigail's mysterious past and putting the inconvenient thoughts of Haley to rest when he was with Abigail, the current love of his life.
