**An Operation of Cooperation (A Sami and Thomas Adventure) James McDonald**

**"Cooperation is said to be the most important word in the English language."**

**-Napoleon Hill**

On a sunny day  
With two kids at play,  
A problem comes about.

But rather than fight  
And use their might,  
They decide to figure it out.

Come along with Sami and Thomas on their adventure of cooperation, where a brother and a sister learn that working together makes for a much brighter day.

An Operation of Cooperation is an excellent classroom resource that shows the benefit of getting along with others, working as a team, and how helping each other makes the world a better place for everyone. An Operation of Cooperation can be used as a starting point for developing social skills and good manners in children, as well as gaining an understanding of the importance of sharing. Use An Operation of Cooperation to introduce the child in your life to the power of cooperating.
