Figure Skating School is for people of all ages and abilities. Whatever your level of fitness and sporting ability, you can make great progress with this practical guide. A systematic course of instruction, it guides you from basic steps--skating forwards and backwards -- through the most advanced techniques such as double flip and triple Salchow.

Written by two professional instructors, the clear text is complemented by over 30 full-color figure illustrations. Diagrams showing correct positioning of the feet accompany each illustration, making sure you don't put the wrong foot forward.

Also includes:

- History of Figure Skating
- Guidance on clothing and equipment
- General principles of good skating
- Sections on pairs skating and ice dance

Stunning photographs of today's skating stars complete a figure skating treat for anyone interested in the sport.
