Flora the Frog calls out to her friends in the pond. Then they splash and play in the water until nightfall, when it's time to go to sleep. This *Playful Puppets* title is one of four attractive little cloth books that do delightful double duty as clever hand puppets. Each puppet is shaped to resemble a friendly animal. Mom or Dad can slip a *Playful Puppet* on one hand like a glove, insert a finger in each puppet-size arm, and entertain toddlers with impromptu dramatizations. And when parents unfasten a Velcro tab to open the cloth pages, they can read still another story aloud to keep their child entertained. A little yellow bird, a smiling green frog, a cheerful orange kitten, and a friendly little mouse each has its own illustrated story to tell. Because each *Playful Puppet* has its own distinctive shape, the 5" x 9" size listed with this title is only approximate.
