30 Essential Policies & Procedures for Long-term Care Tessa Chenaille

If you've ever tried to write a policy and procedure from scratch, you know how time-consuming that can be. But retooling an insufficient policy from another facility can cause you just as much frustration. And when surveyors ask for a policy, you don't want to come up empty-handed. That's why you need 30 Essential Policies and Procedures for Long-Term Care. This comprehensive manual and CD-ROM set provides all of the most critical long-term care policies and procedures, including those for corporate compliance, security, quality assurance, and staffing guidelines. Each well-written, user-friendly policy and procedure contains the latest best practice information. With clear, written procedures on hand, your SNF will benefit from improved quality of care and more efficient operations. You can rest assured your facility is meeting all regulatory requirements and your employees have the guidance they need to stay in compliance. Every policy and procedure featured in the 350-page manual is also located on the companion CD-ROM. This gives you the ability to tailor the language to the specific needs of your organization. Changes in federal, state, or local laws? Simply go into the file and update your policies as necessary. It couldn't be easier!
