Elle has come to Nashville to become a star. She has what it takes, but her agent and all the label executives want to change everything about her—her hair, her body, her clothes and, most important, her music. So Elle becomes a blond, sings about cookin' for her man and wears tiny shorts and revealing tank tops. Then a chance meeting with an established female songwriter makes Elle realize that she's paying too high a price for success.

Billboard Express continues the story that began in *Rock the Boat* by Sigmund Brouwer.
