The role of the vocal soloist in worship is to express praise, breathe a prayer, or underscore a biblical truth on behalf of the gathered church. In so doing, the corporate worship experience is enriched. That is the premise behind the selection of these particular vocal settings. We believe the truths in these solos, which are wedded to memorable melodies and fresh settings by some of today's most creative writers, will root themselves deeply in the hearts of all believers who hear them. They are diverse, effective, and sure to find broad application in virtually any worship setting.
