Equity Release: A Practitioner's Guide Jonathan Wilkey

The UK equity release market is one of the fastest growing sectors of the financial services industry. Unlocking money from homes to support low incomes has proven to be an attractive option especially in times of falling stock markets, low interest rates and under-performing pension programs. Lawyers and financial advisers need to be aware of the legal framework in which such UK equity release methods operate. This new guide provides a comprehensive review of the various types of methods available; gives advice on the professional and practical issues surrounding such methods; and offers insight on how these can be used to mitigate inheritance tax, pay for residential care, fund speculative investment, and help settle matrimonial settlements.

From reader reviews:

Melanie Ratcliff:

What do you concentrate on book? It is just for students because they are still students or it for all people in the world, what the best subject for that? Simply you can be answered for that question above. Every person has distinct personality and hobby for every single other. Don't to be pressured someone or something that they don't need do that. You must know how great as well as important the book *Equity Release: A Practitioner's Guide*. All type of book are you able to see on many methods. You can look for the internet resources or other social media.

Shane Ward:

Nowadays reading books are more than want or need but also become a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge even the information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want drive more knowledge just go with education books but if you want feel happy read one along with theme for entertaining for instance comic or novel. Typically the *Equity Release: A Practitioner's Guide* is kind of reserve which is giving the reader unstable experience.

John Jones:

The actual book *Equity Release: A Practitioner's Guide* has a lot of knowledge on it. So when you check out this book you can get a lot of gain. The book was published by the very famous author. Tom makes some research prior to write this book. This kind of book very easy to read you can get the point easily after scanning this book.

Eric Valentine:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book was rare? Why so many query for the book? But almost any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but in addition novel and *Equity Release: A Practitioner's Guide* or maybe others sources were given information for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher or even students especially. Those ebooks are helping them to add their knowledge. In some other case, beside science guide, any other book likes *Equity Release: A Practitioner's Guide* to make your spare time more colorful. Many types of book like here.
