**Hope for the World: To Unite All Things in Christ** Raymond Leo Cardinal Burke, Guillaume D'alançon

In a thorough discussion, Cardinal Raymond Burke frankly offers his thoughts and insights on the pressing issues of our times: the role of the Catholic Church in the modern world, the liturgy, spiritual renewal, marriage and family, respect for human life, and more. His deep love for Christ is evident as he recounts his own upbringing in a devout Catholic family, his early priestly years, and his service as a bishop in the United States and Rome

Every topic is approached from the perspective of deep faith and sound reasoning, without polemics. Cardinal Burke, a great canonist with long pastoral experience, treats difficult subjects with clarity and directness. His straightforward answers help with understanding the essential moral and spiritual challenges of today, and uncover the foundational truths of natural law, which are written on our hearts.
