Police Reform in the United States: The Era of August Vollmer, 1905-1932 Gene E. Carte, Elaine H. Carte

This is a textbook on police reform and a contribution to social history. At the turn of the century, American police department suffered with crime and corruption in the cities. This book traces the course of the police reform that was generated by such disaffection, and shows how professionalism rather than such alternatives as unionism or civil service became the standard for contemporary police reform. The career and ideas of August Vollmer, police chief in Berkeley, California during the first three decades of this century are analyzed within the broader context of American social and political change.
