The Silence: The End Is Near Jim Kraus

Global catastrophes throw the world into mass panic...and virtual silence. A solar storm burns communication satellites and computers. Earthquakes shake North America. Is it the end of the world? Out of the chaos, Reverend Jerry Moses grows a tiny Illinois farm church into the "Garden of Eden," a cult-like community touting food as the new currency for a world gone silent. Tom Lyton, Megan Smith, and Peter Wilson embark on individual journeys that lead them to confront Moses' heretical teaching. This tantalizing, futuristic novel takes readers on a roller-coaster ride toward the truth as seen through the eyes of engaging characters. When global catastrophe sends the world into chaos and a small-town pastor unexpectedly rises to power, three believers journey to Illinois to challenge his claims.
