Proverbs 21:13 says, “Those who close their ears to the cries of the poor will themselves call out but receive no answer.” What does this mean for the average middle class Westerner who’s actually part of the wealthiest 1% of the world’s population? In *Cries of the Poor*, you’ll discover what the Bible has to say about poverty and how Christians can proclaim good news to the poor. *Converge Bible Studies* is a series of topical Bible studies based on the *Common English Bible*. Each title in the series consists of four studies on a common topic or theme. Converge can be used by small groups, classes, or individuals. Primary Scripture passages are included for ease of study, as are questions designed to encourage both personal reflection and group conversation. The topics and Scriptures in Converge come together to transform readers’ relationships with others, themselves, and God.
