**A New York Times Notable Book of 2013**

A traumatic event unfolds when a girl with hair the color of golden wheat appears in an apple orchard; a woman plays out a fantasy with her husband and finds she cannot go back to her old sex life; an ugly woman marries an ogre and struggles to decide if she should stay with him after he mistakenly eats their children; and two sisters travel deep into Malaysia, where one learns the art of mending tigers who have been ripped to shreds.

In each of *The Color Master*'s fifteen remarkable stories, Aimee Bender holds a funhouse mirror up to reality, proving, once again, that she is one of the most intelligent and imaginative writers of our time.
