One of the finest achievements of Western culture is its brilliant heritage of classical music. A Gift of Music looks at the lives of the greatest composers who have given us this heritage, and especially at how their music was shaped by their beliefs. A Gift of Music seeks to open up a whole new world of music--to encourage listening to the finest compositions with new understanding and pleasure, and to stretch our ears and imaginations. It is a book which will be greatly appreciated by those who already love classical music, and by others who want to explore this delightful world for the first time. From ..Goodreads
