## Runnin' the Red Lights: True Tales from the Edge of Reality Ronald A. Hughes

Most people can claim a couple, maybe at best three or four stories of harrowing adventure from their life. Ron Hughes lived a life of adventure as both a city fireman and a twenty-five year veteran of the California Highway Patrol. Though not every day was filled with near-death incidents, he may have actually exceeded a cat's nine lives several times over. His rich sense of humor comes through from the eyes of a peace officer, who protected and served the public along some of America's most dangerous highways, in the outback of Los Banos California. Despite run-ins with characters and situations that might harden the souls of most people, he never took himself, or the job too seriously. You'll find most of his stories outrageously funny, some will make you angry; some are downright heartbreaking and a few, of considerable kindness, will no doubt bring tears to your eyes.
