No matter what culture you're from, however, one thing still remains constant: the couple is at the center of the ceremony. 2.5 million couples get married every year in the U.S. On average, they each spend about \$20,000, which makes the wedding business a lucrative \$72 billion industry! And 15% of couples use the services of a Wedding Event Planner because they don't have the time or energy to devote to planning their wedding and would much rather leave it up to a professional—you!
