Backwards is the true story of one big firm trial lawyer's after death face-to-face communication with God/Source about the mysteries of life and death. Backwards shatters the age-old belief that we are mere humans, that fate determines our destinies, and that a task master God demands our obedience and worship. Nanci L. Danison, JD, brings the credibility of a trial lawyer trained to evaluate evidence to her account of the answers to our most pressing spiritual questions: who is God? Who am I? What is the purpose of life? Why am I here? What happens when we die? And how should I live my life here on Earth? She offers a "life plan" from the afterlife that originates in and resonates with our true spiritual nature, and provides step-by-step guidance on how to access and develop our Source-like traits in order to bring peace and happiness to our own lives and our planet.
