**Cabo de Gata: A Novel** Eugen Ruge

**A witty, philosophical novel by the author of the internationally bestselling *In Times of Fading Light***

Sometimes a cat comes into your life when you least expect it.

An unnamed writer finds himself in Cabo de Gata, a sleepy, worn-down Andalusian fishing village. He's left behind his life in Berlin, which it turns out wasn't much--an ex-girlfriend, a neighborhood that had become too trendy for his taste. Surrounded by a desolate landscape that is scoured by surprisingly cold winds (not at all what he expected of southern Spain), he faces his daily failures: to connect with the innkeeper or any of the townsfolk, who all seem to be hiding something; to learn Spanish; to keep warm; to write. At last he succeeds in making an unlikely connection with one of the village's many feral cats. Does the cat have a message for him? And will their tenuous relationship be enough to turn his life around?

With sharp intelligence and wry humor, Eugen Ruge's *Cabo de Gata* proposes the biggest questions and illustrates how achieving happiness sometimes means giving oneself up to the foreign and the unknown.
