## MYFAROG - Mythic Fantasy Role-playing Game Varg Vikernes

MYFAROG (Mythic Fantasy Role-playing Game) (v. 2.6) is a fantasy role-playing game, with a setting based on European mythology, religion and fairy tales. The rules are very modular, meaning you can play the game rules light or rules heavy, as you please. The rules are designed to make sense, and to give the players the ability to immerse themselves in Thulē; a highly credible fantasy world similar to the European Classical Antiquity (some places touching into the Viking Age or the Bronze Age), but yet different. In Thulē, sorcery and the ancient deities are real, and the world is inhabited by not only humans, but also elves, nymphs, dwarves, ettins and trolls, as well as other creatures. This art-minimalistic 161 page core rule-book (with black-and-white interior) is an all-in-one rule-book, so it contains all the information you need to play the game (and to make your own adventures and campaigns) indefinitely. A digital high resolution map of Thulē can be found here: [www.myfarog.org](http://www.myfarog.org). Because the setting is based on real world locations (Lofoten and Vesteralen in Northern Norway) you can also use online map services, to get highly detailed and realistic maps of the world of Thulē, in any scale you want. NB! You need a set of polyhedral dice to play the game.
