## **Remix** Lawrence Lessig

Lawrence Lessig, the reigning authority on intellectual property in the Internet age, spotlights the newest and possibly the most harmful culture war-a war waged against our children and others who create and consume art. Copyright laws have ceased to perform their original, beneficial role: protecting artists' creations while allowing them to build on previous creative works. In fact, our system now criminalises those very actions.

By embracing "read-write culture," which allows its users to create art as readily as they consume it, we can ensure that creators get the support-artistic, commercial, and ethical-that they deserve and need. Indeed, we can already see glimmers of a new hybrid economy that combines the profit motives of traditional business with the "sharing economy" evident in such websites as Wikipedia and YouTube. The hybrid economy will become ever more prominent in every creative realm-from news to music-and Lessig shows how we can and should use it to benefit those who make and consume culture.

*Remix* is an urgent, eloquent plea to end a war that harms our children and other intrepid creative users of new technologies. It also offers an inspiring vision of the post-war world where enormous opportunities await those who view art as a resource to be shared openly rather than a commodity to be hoarded.

### **From reader reviews:**

#### **Clarence Riley:**

What do you ponder on book? It is just for students as they are still students or this for all people in the world, exactly what the best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby for every single other. Don't to be pushed someone or something that they don't want do that. You must know how great as well as important the book Remix. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

#### **Walter Godinez:**

The guide untitled Remix is the publication that recommended to you to learn. You can see the quality of the reserve content that will be shown to you. The language that creator use to explained their ideas are easily to understand. The copy writer was did a lot of exploration when write the book, therefore the information that they share to you personally is absolutely accurate. You also could possibly get the e-book of Remix from the publisher to make you more enjoy free time.

#### **James Fong:**

Why? Because this Remix is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of rewards than the other book include such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I had been you I will go to the e-book store hurriedly.

#### **Barbara Kelley:**

Playing with family in a very park, coming to see the coastal world or hanging out with friends is thing that usually you could have done when you have spare time, in that case why you don't try thing that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Remix, you can enjoy both. It is fine combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout men. What? Still don't understand it, oh come on its identified as reading friends.
