**Bad as I Wanna Be** Dennis Rodman, Tim Keown

A wild ride inside the glowing head of Dennis Rodman--the NBA's greatest rebounder and America's most outspoken and outrageous athlete.

When *Sports Illustrated* put the man they call "America's most provocative athlete" on their cover, they sold more copies than any other issue they had sold in a decade (except the swimsuit issue). Why? Because Dennis Rodman, superstar basketball player who joined the Chicago Bulls for the 1996 season, has more in common with Mick Jagger than with his new teammate Michael Jordan. With his body-covering tattoos and ever-changing fluorescent hair, Rodman's sideline antics and celebrated benchings have captivated sports fans as much as his record-breaking on-court performances and earned him a reputation as a rebel with the same penchant for shocking behavior as his on-again off-again squeeze, Madonna. In *Bad As I Wanna Be* he'll share his surprising and candid opinions on everything from fame, money, and race relations, to sex, drugs, and rock-n-roll--and he'll talk about his life, from going to prison for stealing watches to his daughter, the light of his life.

At a time when most celebrities and professional athletes try to control their public personas like politicians and refrain from expressing their true beliefs, Dennis Rodman is a refreshingly unique, uncompromising individual who both transcends his world and refuses to conform to it. *Bad As I Wanna Be* is as candid, intriguing, and unforgettable as he is.
