Chihuahuas are small, sprightly, loyal, and lively. They get their name from the desert state of northern Mexico. Legend says that they were sacred to the pre-Columbian people. Considering they average under five pounds, it is no wonder that they have a special attachment to the warm sun of Mexico. Chihuahuas are most comfortable in their owners arms, but they look rather cheerful alone and amongst themselves in this square wall calendar. Includes a free download of the DogDays app for the smartphone and tablet, which grants access to the worlds most captivating dog photos and backgrounds, fun puzzles, and a calendar featuring your favorite furry friends.
