Sometimes to find your future, you must look to the past... Katherine Wakefield has dreamed and written of her knight in shining armor all her life. Never finding a man to measure up to the one of her imagination, she and her three closest friends take a dream vacation to England. Yet, strange things begin happening while visiting Bamburgh Castle, but how could they have known they'd find themselves thrown back more than eight hundred years into the past? Riorden de Deveraux travels to Bamburgh answering the summons of King Henry II knowing his past life is about to catch up with him. But nothing prepares him for the beautiful vision of a strangely clad ghost who first appears in his chamber, let alone the fact he begins having a conversation with her. Centuries are keeping them apart until Time gives them a chance at finding love. But there are obstacles threatening the fragile bit of hope that Riorden and Katherine can remain together. Will the past of one consume what their future may hold, or will Time take the decision from them and hurdle Katherine forward to where she truly belongs? Don't miss Sherry Ewing's sequel to For All of Ever in Only For You along with her debut Amazon eBook bestseller, If My Heart Could See You. This is the book that began her series and where Riorden de Deveraux makes his first appearance as captain of the guard! A Knight To Call My Own continues the story of Lynet of Clan MacLaren from If My Heart Could See You.
