Kindred Spirits on the Roof is a yuri manga omnibus based on a bestselling visual novel game of the same title. The story follows multiple schoolgirl romances with some ghostly interference! Two friendly spirits inhabit the rooftop of an all-girls' school and, inspired by their own feelings of unrequited love for each other, try to make more yuri couples among the living students. The Kindred Spirits on the Roof game has been localised into English by MangaGamer and is available for download on the popular digital game platform, Steam. Kindred Spirits on the Roof, the manga, features adorable artwork, charming love stories, and unforgettable characters that are spun-off directly from the digital game. This omnibus contains the complete two-volume manga series, along with multiple full-colour inserts, and will be adored by fans of such titles as Girl Friends and Strawberry Panic. Mako and Shiori have been best friends since they were children, but when Mako suddenly confesses her love to Shiori, all Shiori can do is run away! One year later, Shiori sees Mako and decides she wants to rekindle their friendship. Can the two girls go back to their relationship the way it was before, or are they ready for it to evolve into something else? Meanwhile, fellow student Hase Chiharu loves seeing yuri romance play out. For that reason, she becomes enamored by two senior classmates, Natsuki and Rika, a power couple in the school's Quiz Show Club. When Chiharu joins the club so she can be closer to them, she meets the adorable Tokino. Tokino can't take her eyes off their beautiful upper classmates either, and as Chiharu and Tokino observe the couple together, their own sweet relationship begins!
