Ephesians: A New Testament Commentary Bob Yandian

Although the city of Ephesus is famous for its reckless living and idol worship, the Ephesian church is deeply spiritual. And so Ephesians, unlike other epistles written to correct doctrinal error, reveals to mature believers the positional truth of who they are in Christ. It also expounds on practical applications of this positional revelation to marriage, family, and everyday life. By tying together Greek word studies and outside scriptural references, Bob Yandian teaches, verse-by-verse, Gods empowering grace and the believers unprecedented authority. Like Paul, Yandians focus is not only the revelation, but the application of these amazing truths. Yandian exhorts believers not only to learn but to live as the body of Christ in the earth.
