Light and Heavy (Young Explorer: My World of Science) Angela Royston

This series introduces the reader to scientific ideas by way of everyday situations and objects that they can recognise in the world around them. Covering a range of basic science topics required by the science curriculum, these books support the QCA KS1 schemes of work. They introduce age-appropriate terminology, present scientific concepts in a straightforward and logical way, and provide activities and questions to encourage the reader to think about the concepts raised.
