The Last Free Man in America Gatewood Galbraith

Every generation must re-win its own freedoms. And every generation must produce an individual who will insist that our freedoms under the Constitution and Bill of Rights remain unabridged by those in power. This generation has produced Gatewood Galbraith, attorney, marijuana smoker, gun owner and the most successful Independent candidate for a major office in America for decades. This is his story of defending individual and human rights in the streets, the courtrooms and on political stages around the country. He may very well be the Last Free Man in America.
