The Why of Things

Julio Donoso

The Why of Things Julio Donoso

The outstanding feature of Julio Donoso's long life is its dazzling variety. From five-star hotels and high society venues, meeting the likes of Ava Gardner and Marlene Dietrich, he moves to left-wing dives in the poorer parts of Santiago, Chile's capital city, to pursue his 'quest'. From luxurious seaside residences, he funds Allende's election campaign and talk's poetry to Nobel Laureate Pablo Neruda. Next he's on a plane to Cuba to learn about Communism in action - from the bearded man himself, Fidel Castro and his compadres Che Guevara and Camilo Cienfuegos. Come Chile's military coup in 1973, which booted Augusto Pinochet into power, the author's leftist credentials make him public enemy number one, and his frantic efforts to evade capture form the exciting core of his wide-ranging autobiography. Exile follows, with a change of lives and a change of wives . . . but nothing deters Donoso! In Switzerland, he rediscovers his businessman's hat and does mega-deals with the Eastern Bloc countries, makes a fortune, and marries an Englishwoman. Full circle? Yes, but wealth has not spoiled him. As he revisits past happiness and earth-shaking events, he carries with him the pain of his country's poor: he has been there too. Herein lies his humanity, and here is the superbly written record of a man who investigates 'the why of things' - in his own special way.

From reader reviews:

Phyllis Branson:

What do you about book? It is not important along with you? Or just adding material when you want something to explain what you problem? How about your time? Or are you busy individual? If you don't have spare time to accomplish others business, it is make one feel bored faster. And you have extra time? What did you do? Everybody has many questions above. They should answer that question because just their can do this. It said that about guide. Book is familiar on every person. Yes, it is appropriate. Because start from on guardería until university need this particular The Why of Things to read.

Angela Rodriguez:

This The Why of Things book is not really ordinary book, you have after that it the world is in your hands. The benefit you will get by reading this book is definitely information inside this e-book incredible fresh, you will get facts which is getting deeper you read a lot of information you will get. This kind of The Why of Things without we realize teach the one who looking at it become critical in thinking and analyzing. Don't always be worry The Why of Things can bring once you are and not make your bag space or bookshelves' grow to be full because you can have it in your lovely laptop even cell phone. This The Why of Things having excellent arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Quentin Taylor:

Reading a publication can be one of a lot of activity that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people like it. First reading a book will give you a lot of new info. When you read a e-book you will get new information since book is one of numerous ways to share the information as well as their idea. Second, examining a book will make you more imaginative. When you examining a book especially hype book the author will bring that you imagine the story how the character types do it anything. Third, you are able to share your knowledge to other folks. When you read this The Why of Things, you are able to tells your family, friends and soon about yours reserve. Your knowledge can inspire average, make them reading a reserve.

Michael Major:

Playing with family in a park, coming to see the ocean world or hanging out with close friends is thing that usually you will have done when you have spare time, after that why you don't try point that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of information. Even you love The Why of Things, you are able to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't understand it, oh come on its identified as reading friends.
