*Yufa! A Practical Guide to Mandarin Chinese Grammar* takes a unique approach to explaining the major topics of Mandarin Chinese grammar. The book is presented in two sections: the core structures of Chinese grammar, and the practical use of the Chinese language. Key features include:

- Chinese characters, pinyin and English translations
- Realistic scenarios to provide you with an interesting context in which to learn grammar
- Varied and imaginative exercises so you can review your progress easily.

With straightforward descriptions, numerous exercises, and examples that are rooted in realistic situations, the author shows you how grammar is used in everyday life.

This new second edition has been fully revised and updated throughout and continues to be one of the clearest and most comprehensive pedagogical grammars available.
