Foster fine-motor development with special-education students in pre-kindergarten–grade 1 using Fine-Motor Projects. This 96-page, interactive resource contains 60 art recipes, 50 art activities, and 48 reproducible student art pages that improve fine-motor skills in young students. It also includes special tips and ideas for teaching motor skills, material lists, and projects, such as molding play dough, stamping and printing, stringing, manipulating puppets, gluing and making collages, cutting with scissors, painting, and drawing with chalk and crayons. Key Education products are intended to engage and educate young and special learners, as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line—comprised of teacher/parent resource books, photographic learning cards, and other activity- and game-oriented materials—is designed to assist in “Unlocking the Potential in Every Child.”
