**Interpreting Naval History at Museums and Historic Sites (Interpreting History)** Benjamin J. Hruska  
Interpreting Naval History at Museums and Historic Sites demonstrates the broad appeal of naval themed commemoration, centering on military aspects from both times of war and peace. Using an international approach, the book illustrates the intersection of the historical understanding of one's place and naval traditions. Locating the boundaries, one finds both the depth and breath of the topics linking (and dividing) water and man.
