Jung and Sex: Re-visioning the treatment of sexual issues Edward Santana

C. G. Jung, despite not being widely known for his views on sexuality or the treatment of sexual issues, made extensive contributions to understanding the complexities of this field throughout his life. In *Jung and Sex*, Edward Santana makes the case that reclaiming this knowledge can address substantial problems with current treatments and support many who struggle with sexual issues.

This thorough exploration of Jung's approach to sexual issues presents a wide-ranging new look at his work and adds contemporary perspectives for helping those suffering with sexual difficulties. The book calls for an important bridging of clinical perspectives to address the contemporary challenges of complex sexual issues and brings attention to a large body of Jung's work on human sexuality, ranging from pioneering thoughts on sexual expressions of the soul to understanding ways to treat sexual symptoms. *Jung and Sex* provides a comprehensive analysis of Jung's views on, and clinical approaches to, sexual issues and treatments, using this knowledge in order to help those with sexual problems and the professionals who support them. It is an essential text for understanding critical dimensions of human sexuality.

Jung and Sex is an important contribution that closes a gap in the literature of Jungian psychology. It offers unique insights into the subject for Jungian psychotherapists, analytical psychologists, sex therapists, and relationship counselors. The book also supports the work of academics and those interested in contemporary applications of Jungian and post-Jungian studies.

From reader reviews:

George Hinnenkamp:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make these people keep up with the era that is always change and advance. Some of you maybe will probably update themselves by looking at books. It is a good choice in your case but the problems coming to a person is you don't know what kind you should start with. This Jung and Sex: Re-visioning the treatment of sexual issues is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Neil Owens:

Spent a free time to be fun activity to accomplish! A lot of people spent their down time with their family, or their particular friends. Usually they accomplishing activity like watching television, about to beach, or picnic from the park. They actually doing ditto every week. Do you feel it? Will you something different to fill your own personal free time/ holiday? Could possibly be reading a book can be option to fill your cost-free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to try out look for book, may be the book untitled Jung and Sex: Re-visioning the treatment of sexual issues can be very good book to read. May be it might be best activity to you.

Jami Hannah:

Are you kind of active person, only have 10 or maybe 15 minute in your time to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you have problem with the book than can satisfy your short time to read it because this all time you only find book that need more time to be examine. Jung and Sex: Re-visioning the treatment of sexual issues can be your answer because it can be read by anyone who have those short extra time problems.

George Williams:

As a student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Jung and Sex: Re-visioning the treatment of sexual issues can make you sense more interested to read.
