## **Prayer in the Unseen Warfare** Jack N. Sparks

Father Jack sparks has drawn upon several versions of a classic sixteenth-century treatise, "Spiritual Combat," originally written to guide monks in their labors to attain union with God. Though Western in origin, the profound spiritual insights of "Spiritual Combat" were recognized by Eastern writers such as Nicodemus of the Holy Mountain and Saint Theophan the Recluse, who subsequently edited and revised it in accordance with traditional Orthodox beliefs. In one form or another, this work has been revered as a classic on the spiritual warfare for over four hundred years! Father Sparks has selected passages from this timeless work, reorganized the material, and recast it in contemporary language, all with the lay reader in mind. The result is a profound but highly practical resource for those who seek to strive with all their might against the enemies of our souls-the world, the flesh, and the devil. masterfully adapted the material from this highly treasured monastic work specifically for today's lay Christian living in the midst of a modern world. The result is a profound but highly practical resource for those who seek to strive with all their might against the enemies of our souls-the world, the flesh, and the devil. Study questions at the end of each chapter facilitate individual or small group study. A companion volume to "Victory in the Unseen Warfare" and "Virtue in the Unseen Warfare." Each volume can be read separately from a set.
