Let's face it--parents don't get it. Or at least that's what their teenaged children think. Most teens think their parents don't know anything about life--especially not teen life. That's where best-selling author and teen expert Hayley DiMarco comes in.

*Stupid Parents* helps teens understand how to communicate with their parents to improve their relationships. It answers common questions teens have, like

- how do I get my parents to be less embarrassing?
- how do I get them to give me more freedom?
- how do I tell my parents about things that are important to me?
- what do I do if my parents are mean to me?
- what are my parents thinking?
- and many more

Teens, parents, and youth leaders will find *Stupid Parents* entertaining, educational, and, like all Hungry Planet books, utterly relevant.
