Tax Research Techniques Robert L. Gardner, Dave N. Stewart, Ronald G. Worsham

Tax Research Techniques provides a working knowledge of the methodology of implementation-based tax research. Drawing on the latest developments in online research, the authors reveal how to ask the right questions, organize the facts, locate and assess pertinent authority, and clearly communicate research findings.

The Trusted Research Training Manual for Over 30 Years

As tax laws and tax research methods have changed over the past three decades, Tax Research Techniques has been a trusted resource to guide students and practitioners alike to best practices for efficient tax research. This latest edition updates examples and illustrations to highlight changes in tax law and online tax research over the past several years.

Tax Research Techniques will sharpen your knowledge of these five key tax research procedures:

- How to Get the Facts
- How to Ask Expert Questions
- How to Search for the Right Authority
- How to Resolve the Question
- How to Communicate Your Conclusions

New and updated sections reflect the continuously evolving advances in the technology of Web-based research.
