Danielle LaPorte

***The Fire Starter Sessions* is an apathy-kicking, integrity-infusing guide to defining success on your own terms.**

As the creator of DanielleLaPorte.com--deemed “the best place online for kick-ass spirituality,” **Danielle LaPorte**’s straight-talk life-and-livelihood sermons have been read by over one million people. Bold but empathetic, she **reframes popular self-help and success concepts**:

- : **Life balance is a myth**, and the pursuit of it is causing us more stress than the craving for balance itself.
- : **Being well-rounded is over-rated**. When you focus on developing your true strengths, you enter your mastery zone.
- : **Screw your principles** (they might be holding you back).
- : We have ambition backwards. **Getting clear on how you want to *feel* in your life + work is more important than setting goals**. It’s the most potent form of clarity that you can have, and it’s what leads to true fulfillment.
