## **Ultimate Financial Security Survey** James L. Schaub, Ken D. Biery, Jr.

This valuable tool for the security manager will assist in tailoring surveys specifically for financial security. It will allow security managers to take one of the most time-consuming & difficult areas of security -- vulnerability assessment -- & make it manageable. This bank of questions provides all the information needed to design numerous surveys for financial security. It takes into account that every facility & location, as well as the corporate complexion of every business, is distinctly different. Because all the questions are all on the accompanying disk, the user will not have to retype anything, & will save valuable time.
