**A Research Agenda for Entrepreneurship and Context (Elgar Research Agendas)** Friederike Welter, William B. Gartner

Elgar Research Agendas outline the future of research in a given area. Leading scholars are given the space to explore their subject in provocative ways, and map out the potential directions of travel. They are relevant but also visionary.

There is growing recognition that entrepreneurship can be better understood within its context(s). This carefully designed volume invites readers to take a journey: from critically reflecting on where the discussion on context and entrepreneurship stands today towards identifying future research questions and themes that deserve the attention of entrepreneurship scholars. This book draws attention to the research challenges the entrepreneurship field faces by reviewing the many facets of contexts and by reflecting on methods and theoretical approaches that are required in order to contextualize entrepreneurship research.

Written by renowned international scholars, the book's leading-edge contributions provide a thorough exploration of how to contextualise entrepreneurship research. Taking a multidisciplinary approach, comprehensive coverage of the entrepreneurship/contexts debate is included, in addition to reading lists and a chapter dedicated to advancing future research avenues.

Students and academics interested in context and entrepreneurship will benefit from this far-reaching and forward-thinking book.
