When a Manhattan pizza maker is found dead in his own dough, Magno Girl enlists the aid of her biker ninja boyfriend to help solve the crime - and quickly discovers there's more to the pie than meets the eye, including a sinister plot that spans the globe. Magno Girl leaps into action - after all, she can fly, she can fight, and she can use her fearsome superpower, the "Gaze of the Guilt," to bring a hardened criminal to his knees - but the road ahead is hard. The city's other superheroes despise her, and the cops don't want her around, and her own mom won't stop spitting out advice about marrying a "respectable guy" and trading in her crime-fighting career for a baby carriage--but is she attracted to "respectable guys"? And is she interested in emotional commitment? And will finding real love be her biggest challenge of all? Welcome to the world of Magno Girl, a wild and absurd place filled with humor, action, and romance.

NOTE: This book contains some profanity and adult situations.
