The Thirteenth: A Vampire Huntress Legend (Vampire Huntress Legends)

L. A. Banks

The Thirteenth: A Vampire Huntress Legend (Vampire Huntress Legends) L. A. Banks

The entire Neteru Guardian team is on the run, having now been labeled as America's most-wanted terrorists following the gruesome demon battle that felled the Washington Monument and crashed the front doors of the White House. The Anti-Christ is positioned for emergence, the powers of darkness have released the pale horse of the apocalypse, and half the Neteru team is pregnant. Plagues from hell that ravage the country are being cited as stemming from bio-terrorism. The nation is under martial law. The Neterus and their team are underground. If things weren't bad enough the Dark Realm breaks the sixth Biblical seal, which plunges the world into perpetual darkness...and irrevocably into the Armageddon.
