## **Understanding Social Theory** Derek Layder

"This is a robust text - challenging and provocative and one which students will benefit from reading. Layder guides the reader through a large body of relevant literature. He draws attention to the strengths and weaknesses of particular approaches as he sees them and he is not afraid to offer his own judgements on the issues and problems he addresses."

*- Professor John Eldridge, University of Glasgow*

"One of the most comprehensive, incisive and readable treatments of the macro-micro problem now available."

*- Professor Paul Colomy, University of Denver*

This is a revised, updated and enlarged version of the accessible, authoritative first edition - a jargon-free textbook that provides an introduction to the core issues in social theory. It includes:

- Chapter previews, summaries and a glossary of key terms.
- A 'problem focus' that encourages students to acquire skills of argument and discussion.
- A concluding chapter relating theory to social domains.
- Relevant examples from everyday life to illustrate key theoretical issues.

It is essential reading for undergraduate and postgraduate students of social and sociological theory.

### **From reader reviews:**

#### **Steven Page:**

What do you concentrate on book? It is just for students as they are still students or it for all people in the world, exactly what the best subject for that? Just you can be answered for that question above. Every person has several personality and hobby for each other. Don't to be forced someone or something that they don't wish do that. You must know how great and also important the book Understanding Social Theory. All type of book would you see on many sources. You can look for the internet resources or other social media.

#### **Jason Nunez:**

Spent a free a chance to be fun activity to complete! A lot of people spent their sparetime with their family, or their very own friends. Usually they performing activity like watching television, planning to beach, or picnic in the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Might be reading a book may be option to fill your totally free time/ holiday. The first thing you ask may be what kinds of e-book that you should read. If you want to try out look for book, may be the reserve untitled Understanding Social Theory can be very good book to read. May be it could be best activity to you.

#### **Eric Bittinger:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Understanding Social Theory can make you really feel more interested to read.

#### **Sherry Nicholson:**

E-book is one of source of knowledge. We can add our know-how from it. Not only for students but also native or citizen will need book to know the upgrade information of year to be able to year. As we know those guides have many advantages. Beside we add our knowledge, can bring us to around the world. From the book Understanding Social Theory we can have more advantage. Don't that you be creative people? Being creative person must like to read a book. Merely choose the best book that suitable with your aim.
